Dear Joe: You are doubtless surprised at the above address, but we came here suddenly from Bonn directly George left Augsburg-Hochlese. This sad, heroic acceptance (sans arriere pensee) of death seems to me to be the great tragic wind that blows through the Iliad, and comes out especially strong in Achilles. - And how are you and Bessie? I think that, on the whole, I like Renan - bien qu'il soit d'une laideur vraiment repoussante. His wife is a plain and excellent person, niece of Ary Scheffer.¹ Tomorrow we move on to Bridgeport, our winter quarters. Y'rs aff'c't'ly, Bob Benchley. ¹Niece of Ary Scheffer.
